EXPERIENCE

UX Design and Marketing Consultant

Titus MRF Services - Remote and In Person

Fontana, California - Aug 2021 to March 2025

Closely collaborated with the CEO and Manager of Design and Sales to build a website and a rebrand for their company. Also providing manuals for updated uniforms and gear essentials for the team. Designed business cards and documents for bid proposals. These responsibilities required me to be organized, self sufficient and diligent in meeting deadlines.

Website Design Consultant

Pacific Yearly Meeting - Remote and In Person

Santa Cruz, California - April 2023- Jan 2024

This Project consisted of assisting the client decide how they wanted to archive information on their existing website and transition to a new layout. We collaborated virtually and troubleshooted key issues that arose during the renewal process. I also help with SEO to help them be easier to find online and for their constituents to make contact.

Film Lab Tech

Bay Photo Lab

Soquel, California - Nov 2023- Aug 2024

This position required efficient time management, efficiency and accuracy. Also requiring technical knowledge on film processing from developing to scanning to printing, while also providing consultations for photo restoration and making custom prints on various mediums. Photo restoration is completed in Adobe Photoshop while also using our in house camera studio to photograph paintings for restoration and reprinting.

- Cash handling and Point of Sale operation, managing customer financial info for mail in orders
 - Customer service representative, assisting management with emails, Inquiries and online store orders
 - Film Developing, Processing and Restoration
-
